

1465 Pipefitter Street N. Charleston, SC 29405 p 800.739.5566 f 843.745.9602

Dear Potential Seminar Attendee:

Quest Construction Products (Hydro-Stop/United Coatings) would like to invite you and your associates to attend one of our two-day training seminars held in Charleston, South Carolina. The seminar dates for 2010 are:

January 14 th & 15 th	February 18 th & 19 th	March 18 th & 19 th
April 15 th & 16 th	May 13 th & 14 th	June 17 th & 18 th
July – N/A	August 19 th & 20 th	September 16 th & 17 th
October 14 th & 15 th	November 18 th & 19 th	December – N/A

These informative seminars, which are held free of charge, begin at 8:30 A.M. on Thursday and end at approximately 4:30 P.M. Friday's session commences promptly at 8:30 A.M. and ends at approximately 12:30 P.M. Should you decide to attend the seminar, you will need to RSVP. **When we receive your RSVP at the office, we will then send you a confirmation package containing Hotel information and the locations for Thursday and Friday.**

When you receive the confirmation information, it will mean that you are on the list for the seminar. If you decide for any reason that you will not be able to attend, please inform our office as soon as possible so that we may free that spot for someone else. Our seminars fill up fast and we do at times need to cut them off due to space limitations.

Seminar topics include Hydro-Stop's PremiumCoat, BarrierGuard, FlexCoat, and ClearGuard Plus Systems and United Coatings' CanyonTone Stain and Kymax Systems. In addition, you will learn about "Cool Roof" Technology and its benefits to the commercial and residential consumer. Proper application techniques will also be discussed along with job material estimation and takeoffs.

We will teach you how to increase your productivity and decrease job material waste. More importantly, you will learn how to increase profitability using Quest Construction Products' waterproofing and roofing materials.

We look forward to seeing you in Charleston!

Seating is limited.

Please RSVP by completing the attached form (one per person) and sending it to info@hydro-stop.com or 843-745-9602
